HOLLY JOHNSON
GRAPHIC DESIGNER

Hello.
My name is Holly

I'm curiously passionate,
unabashedly driven, &
quietly determined. Also,
I'm a graphic designer.

A skilled and creative graphic designer who refuses to give up and only puts forth the best work. I'm well versed in the aspects of both print and digital design, and I have also completed a secondary illustration concentration. I relish learning new skills and putting them to use in captivating projects. With a curiously strong sense of design, passion, and dedication, you'll find that I'm your perfect match. ✱
